School Accountability Report Card

Reported Using Data from the 2015-16 School Year

Published During 2016-17

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2016-17)

Del Sur Elementary School opened in August of 2008. We are now entering our ninth year. During this time, we continue to build a school of excellence. Our school has gained the lofty position of achieving a 10 10 state wide ranking consistently. We also were given the recognition of a 2014 California Distinguished School and a 2014 National Blue Ribbon School. Our school is built on the notion of educating children for the world of the 21st century.

Our balanced and rigorous program provides instruction in all content areas including the arts and physical education. Learning opportunities foster curiosity and academic achievement through a standards-based curriculum that promotes inquiry and discovery. This will yield well-rounded, college ready students. On our campus every classroom is affiliated with a university. The universities represented on our campus include - Northern Arizona University, Alabama, the University of Pennsylvania, Indiana, Oklahoma, Pittsburgh, Linfield College, California, UCSD, San Diego State, California State University, San Marcos, Cal Poly, Oregon, Ohio State, Hawaii, USC, Michigan, Washington, Yale, Point Loma, Pacific, Auburn, Baylor, Georgia, Kansas, UCSB, and UCLA.

Teachers and support staff are committed to educational excellence and work together in a cooperative, supportive, and professional manner. The school staff continually seeks new ways to provide sustained, effective, and quality instruction that meets the needs of all students.

Del Sur is located 30 miles north of downtown San Diego in the community of Del Sur. Our student body consists of students from richly diverse cultural, ethnic, linguistic, and religious backgrounds. In ethnic terms, the greatest number of our students are Caucasian (53%). Our second highest number of students are Asian (19%). Fifteen percent of our students have limited English proficiency. Eleven percent of our students come from educationally disadvantaged homes.

It is our mission to be a technologically progressive school dedicated to providing high levels of learning for all students while being focused on exploring the richness of the past, the opportunities of the present, and the infinite possibilities of the future.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. The CAAs have replaced the California Alternate Performance Assessment [CAPA] for ELA and mathematics, which were eliminated in 2015. Only eligible students may participate in the administration of the CAAs. CAA items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

English Learners	3	11	11	100.0	45.5
Students with Disabilities	3	12	11	91.7	54.5

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Note: Science test results include CSTs, CMA, and CAPA in grades five, eight, and ten. The "Proficient or Advanced" is calculated by taking the total number of students who scored at Proficient or Advanced on the science assessment divided by the total number of students with valid scores.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the Other Pupil Outcomes State Priority (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2015-16)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	2.5	18.5	77.8

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2016-17)

During the course of the year, our parents have many opportunities to get involved with our school. We have a very active Parent Teacher Association (PTA). This organization sponsors many programs that bring parents to school. For example, on a yearly basis this organization sponsors a Back to School Picnic before school, the annual Halloween parade, Literacy Night, Red Ribbon Week activities, the Book Fair, Math Family Night, Science Family Night, and Science Career Day. Our Educational Foundation was formed to help our school fundraise for programs needed on the campus. This important school organization provides our school support in the following programs: Impact Teacher RTI Tier two student support, technology procurements, physical education teacher, art teacher, and music teacher. This group helped bring to our school our Compass Learning software program that helps our teachers to individualize practice sessions for our students. Our Site Council which is composed of teachers, staff, parents, and the administrator collectively write and review our yearly Single Plan for Student Achievement document and also write and review our yearly parent and student surveys. Four times a year, our EL parents attend meetings with our staff to learn important information on how to support their students. We invite our parents of our GATE students to two meetings a year.

Every other Friday, parents are invited to our Friday Flag assembly where we celebrate our country and students and discuss upcoming events. On a bimonthly basis, the principal holds coffees where he discusses school endeavors and issues. To prepare students for a successful school experience, a parent participation preschool and a regular full day preschool program is provided on our site. We also have two special needs preschool programs on our site to meet the needs of our students in our community and throughout the district. At Del Sur parent involvement and input is highly sought after and valued.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Expulsions	0.0	0.0	0.0	0.1	0.1	0.0	0.1	0.1	0.1

School Safety Plan (School Year 2016-17)

Del Sur places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently at staff meetings. The plan is also reviewed three times a year with our School Site Council. Annual training procedures and drills for earthquakes, fire, intruders and bus evacuation are held according to District requirements. Maintenance staff works with a scheduled preventive program to offset costly repairs. The school has an up-to-date Asbestos Plan. Staff models and reviews safe behaviors and practices with the students regularly.

Types of Services Funded (Fiscal Year 2015-16)

The district's general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects—monies from agencies (e.g., federal, state) earmarked for specific services
5. Transportation
6. Facilities, Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.

This year our staff is spending our professional time studying our Response to Intervention program. Additionally, we are receiving training in implementing a new STEM curriculum titled *Project Lead the Way*.
