School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

High expectations and strong support for student learning shape the culture that defines the character of Los Peñasquitos Elementary, where student success is the only option. As evidenced in the signs that dangle from our halls, our students and staff believe every student will learn, whatever it takes. Los Peñasquitos School, in San Diego, California, is one of twenty-five elementary schools in the Poway Unified School District, and is proud to be celebrating over 40 years of enriching student lives. It is located in Rancho Peñasquitos, a community in northern San Diego County. We serve 525 students from Pre-kindergarten to fifth grade. Our classes include an extended-day student academy for some of our third, fourth and fifth grade classes, as well as class size reduction in our traditional TK-3 classrooms. The students of Los Peñasquitos represent a cross-section of our community. Forty percent of students receive free or reduced-price lunch, twenty-nine percent of our children are English Language Learners, and thirty-five languages are spoken at our school. At the same time, a significant percentage of the children come from middle and upper-middle class families. Economic and cultural diversity are strengths and we believe that our students benefit greatly from interaction with other students who share differences with them. The majority of our parents, including parents of second language students, are active in many aspects of school life. They serve on the School Site Council, help to organize events that celebrate the many cultures represented at our school, are members of the PTA, and are very involved in our volunteer organization. Los Peñasquitos values the diversity of our students and their families, and families in turn appreciate efforts made by our school to support their children. Every decision we make is driven by our belief that all students will learn, whatever it takes. We accept no excuses for poor academic achievement, and are therefore committed to helping every child meet the high expectations represented by our district's academic standards. The community is proud not only that Los Peñasquitos' students achieve well above national averages, but also that standardized and site-developed test scores reflect continuing and significant gains in student achievement. By most measures, student performance has shown consistent and impressive improvement. Our Academic Performance Index is currently at 937. We have achieved a statewide 10-10 ranking the last nine times in the Accountability Performance Index. In the most recent administration of the Smarter Balanced Tests seventy-nine percent of our students met or exceeded the standard in English Language Arts and seventy-four percent met or exceeded the standard in Math. Los Peñasquitos has been recognized as a California Distinguished School, a National Blue Ribbon School, and a Gold Ribbon School. Our continued growth as a professional learning community was featured in a nationally recognized book titled "Whatever it Takes" by Dr. Rick DuFour. These awards further reflect the commitment to academic excellence that is shared by our students, staff, and parents.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	85	78	75	74	48	48
Mathematics (grades 3-8 and 11)	75	72	67	66	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	294	286	97.28	77.62
Male	140	137	97.86	72.99
Female	154	149	96.75	81.88
Black or African American	13	13	100	46.15

Socioeconomically Disadvantaged	115	111	96.52	62.16
English Learners	113	109	96.46	73.39
Students with Disabilities	58	57	98.28	35.09

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

English Learners	113	113	100	67.26
Students with Disabilities	58	57	98.28	31.58

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	87	89	83	83	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	22.3	28.2	19.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Los Peñasquitos recognizes the importance of the partnership between home and school and remains committed to supporting the Parents As Partners Core Value. We conduct a mandatory NEU Parent Forum detailing for parents the No Excuses University Approach. Parenting classes are also offered as part of our Parent University on topics such as, Managing your Child's Behavior, Connecting with School, and Developing Capable and Responsible Young People. We have a Parent Resource Center that provides parents with resources for managing the challenges of this important role.

Parents have been included in the improvement process and serve in an advisory role on committees. Parent volunteers work in a variety of capacities such as: Volunteer Workroom, PTA, Writer's Workshop, Art History, Music Appreciation, Book Fairs, Jog-A-Thon, College Career Field Day, Classroom Support, School Site Council, Site Safety Committee, Human Relations Committee, and the Los Peñasquitos Academy Foundation.

For more information on the opportunities for parental involvement, please contact Deanne McLaughlin at 858-672-3600.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

Expulsions	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Los Peñasquitos places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire and bus evacuation are held. Our most recent Disaster Plan was updated and reviewed with the staff in October 2017. Each staff member has specific responsibilities during times of emergency. In addition, maintenance staff works with a scheduled preventive program to offset costly repairs. The school has an up to date Asbestos Plan. Extended Student Services is available to students for before and after school childcare.

D. Other SARC Information

Types of Services Funded (Fiscal Year 2016-17)

The district's general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects/grants
5. Transportation
6. Facilities, Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
