School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Built in 1960, Pomerado Elementary School has served generations of Poway families. Our school currently serves approximately 400 students in transitional kindergarten through fifth grade, in addition to two regular education State-funded 3-hour preschool classes that serves 3-4 year old students. We also have Level I and Level II Autism Spectrum Disorder (ASD) preschool classes that service approximately 20 special education preschool students and 10 typical peers. In addition, our site has two Autism Spectrum Disorder (ASD) classes that serve TK-2nd and 3rd - 5th grades. Pomerado Elementary is a whole-school Federally Funded Title 1 school.

Pomerado is proud to be a part of the nation-wide No Excuses University network. We believe in setting high expectations for each of our students and remain focused on creating a safe, supportive learning environment where all students can be successful in meeting their goals. Staff and students see their learning through the lens of a growth mindset and learn to persevere through challenges. All students have signed a pledge on display in our Multi-Purpose Room to Work Hard, Be Kind, and let No Excuse stand in their way.

Staff is highly dedicated and passionate about using the very best teaching strategies and resources. Staff collaborates on a regular basis within and between grade level teams, and as a whole staff. Staff attends a variety of district and site based professional development opportunities, and is eager to implement research-based programs that focus on specific student needs. Technology is used to support learning and student engagement, and staff is trained on how to best incorporate technology into their instruction.

We provide a wide array of academic support programs for children who require special assistance in mastering academic standards. Our Resource Specialist Program (RSP) serves approximately 30 students, and two speech and language pathologists work with students with IEP speech and language goals. Our English Language Learner program assists students who need extra support with language acquisition and educational support. An ELL Instructional Aide is part of this program and works with small groups on targeted skills. We also employ a part-time Spanish-speaking Bilingual Parent Liaison who provides translation for school documents and on-site translation services to aide in communication with teachers, staff, and parents. Our academic support program also includes part-time trained impact teachers who work with groups of students on specific and targeted skills. These groups are flexible, programs used are research-based, and data is tracked on a regular basis. Our before and after school programs extend the learning day for students in need of academic interventions, homework help and/or time on computers.

Challenges and higher level thinking activities are also in place for our students who are excelling and moving beyond proficiency. These include our Math Olympiad Club and our Book Club; both focus on using critical thinking skills and more advanced problems and books. In addition, students can be identified for our Gifted and Talented Educational Program (GATE) starting in second grade through our district qualification process.

Pomerado staff not only cares about every child's academic achievement, but also their social and emotional development. For this reason, we embrace the 6 Pillars of Character of the Josephson Institute of Ethics - CHARACTER COUNTS! Initiative. As coalition members, we integrate these concepts into the daily experience of each student and staff member. A new pillar is introduced and emphasized each month. Our school wide discipline plan is followed by all staff and is based on the practices of Restorative Justice. Students earn Good Character cards which are signed by parents, celebrated in the office when turned in, and then displayed on our Multi-Purpose Bulletin Board. For our students who need some extra support with social/emotional needs, we have a counselor on site 3 days a week and a Student Services Aide. Both see small groups, meet with students one on one, and teach classroom lessons on empathy, being a friend, and other social skills.

We take pride in creating a safe environment where students are engaged in using high level thinking skills as they master California State Standards. Our Wildcats help each other, show kindness to others, persevere with school work, and are ready to take on any challenge as they prepare themselves for college and careers.

MISSION STATEMENT

It is the vision of every staff member at Pomerado Elementary School to ensure that every child acquires the attitudes, skills and knowledge to succeed through meeting or exceeding Poway Unified School District grade level standards and by developing positive self-worth and a desire for learning as they continue on towards college and career readiness.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	57	51	75	74	48	48
Mathematics (grades 3-8 and 11)	52	51	67	66	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	194	191	98.45	51.31

English Learners	66	66	100	36.36
Students with Disabilities	26	24	92.31	16.67

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Test Results in Science for All Students Grades Five, Eight, and Ten

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	49	66	83	83	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	17.6	29.4	27.9

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Pomerado recognizes the importance of the partnership between home and school and remains committed to supporting the Parents As Partners Core Value. Parents have been included in the school improvement process and serve in an advisory capacity on committees including the School Site Council, PTA, Foundation, and District Advisory Committees. Parent and community volunteers work in a variety of capacities such as: workroom helpers, OASIS, mentoring, Art Docents, Book Fairs, Family events, Running Club, CHARACTER COUNTS!/Red Ribbon week, and general classroom support.

Parents are kept up to date with information about our school through weekly Blackboard Connect phone calls/emails, monthly newsletters with calendars, our school Facebook page, and our Twitter account. Back to School Night at the beginning of the school year and parent/teacher conferences in November are opportunities for parents to learn about classroom expectations and their child's progress. Teachers communicate with parents on a regular basis through phone calls, emails and personal conferences throughout the school year.

Parents are encouraged to join and participate in PTA and Foundation sponsored activities throughout the school year. Our varied Family Nights are a wonderful opportunity for parents and students to learn and interact with other Wildcats and include events such as Science Night, Multi-Cultural Night, Art Night and our annual Carnival. Parents are invited to come and learn about Pomerado and the No Excuses University philosophy at parent meeting and Principal Coffees held throughout the year. Parent informational meetings and trainings are also held for parents to learn about different ways to help their children at home (e.g. parenting skills, growth mindset, math and reading games for at home, and technology support).

Our Spanish speaking parents are invited to attend parenting classes held in Spanish and facilitated by our counselor and parent liaison. Our parent liaison is also here to help with translations, ensuring Spanish speaking parents are up to date with student progress and help with other forms and/or information. Rosario Hansen can be reached at 858-748-1320 ext. 2129.

Our parents have also helped our school to support needy families in our own school community through programs such as Adopt-A-Family, Food Drives, Re-Wear Boutique and Caring Coins.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17

Expulsions	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Pomerado places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training on procedures and drills for various disaster scenarios including earthquake, fire, lock down, and bus evacuation are held every August, with follow up training during staff meetings throughout the school year as needed. Students and staff participate in monthly drills as required by PUSD. Our Site Safety Plan contains both a physical and social climate goal to ensure we are meeting the safety needs of staff, students and parents.

Our school also works closely with our School Resource Officer to assure that we are up-to-date with procedures such as lock-downs and that we have all documents readily available. He personally visits and trains staff and answers key questions.

Maintenance staff work with a scheduled preventive program to offset costly repairs and ensure student safety. The school has an up-to-date Asbestos Plan. Extended Student Services is available to students for before and after school childcare.

Our school is a closed campus, requiring visitors to check in at the main office and to display badges before entering the campus. Ingress and egress are carefully monitored by staff. Safety is our first priority.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, CCSS implementation in math, writing and English Language Arts, implementing the use of computer technology in teaching and learning, critical reading, writing and mathematics strategies, effective use of assessments, positive discipline in-services, and multicultural training. Staff meetings include time for professional learning, and staff participates in district planned trainings on Professional Growth Days. Many teachers also take advantage of teacher led workshops (TLC's) throughout the school year. Teachers and the administrator are encouraged to attend local conferences that focus on topics aligned with site and district goals, and then bring information back to the site to share with others.

The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.

In 2016-17, our PLL (Professional Learning Leaders) have been supporting site teachers in the focus on the California State Standards for English Language Arts, math and Next Generation Science Standards.
