PUSD Kindergarten Enrollment Starts in Early May

Children five years of age on or before September 1, 2017, can be enrolled in kindergarten in the Poway Unified School District starting in early May. Enrollment forms will be made available on the [PUSD website](http://powayusd.com) (powayusd.com) on May 1, 2017. Please click on this [link](#) (or see attached) to find the dates and times for each individual school's Kindergarten enrollment. Most occur during the first week of May.

A certified birth or baptismal certificate is required for proof of age. All children are also required to have their immunizations fully completed and up to date before enrolling, unless exempted by law. Exemptions based on personal or religious beliefs are no longer an option for vaccines required for school entry in California. Students will not be allowed to attend school without vaccination evidence.

If your child has his/her 5th birthday from September 2, 2017, to December 2, 2017, they can be enrolled in Transitional Kindergarten (TK). The enrollment period for TK opened in March. Click [here](#) for more information on TK.

Please visit the Poway Unified [website](#) for more enrollment information, including the [residency and immunization requirements](#).
