

12th Grade Double Off Roll Permission Form

Del Norte High School

Seniors may take up to two off roll periods if they meet all criteria: 1) Must have at least 9 courses over the year, 2) Are on track to graduate with a minimum of 190 credits completed by end of 11th grade, 3) Cannot drop an AP Seminar class.

If you select double off roll, this signed permission form is required to be turned in with your CRF or at the time of a schedule change request.

Parent/Guardian Permission for Shortened Schedule

Dear Parent/Guardian,

You and your student have requested a shortened schedule during one term for the 2021-22 school year. A shortened schedule is one that has your student enrolled in fewer than four courses. This would mean that your child will be released from school prior to the conclusion of the school day; or, they would begin their school day after first period. Only students who are on track to graduate may request a reduction in their school schedule.

Your signature below indicates that you understand and grant permission for your student's request for a shortened schedule

You and your student will complete the form below and return it to the counseling office.
