

Poway Unified School District Mass Notification Opt-In Form 2018-2019

The Poway Unified School District seeks to provide parents and guardians with important information in the timeliest and most efficient manner. Current laws permit the district to use an automatic dialing device to send pre-recorded voice messages, text messages, and emails to contact parents and guardians for purposes of absence notifications and emergency communications, including health and safety risks, threats, closures, fire, and unexcused student absences.

The District also uses an automatic dialing device to send mass notifications to parents, guardians, students, and faculty regarding non-emergency, school-related matters. These official, non-urgent school communications include important announcements from principals or district officials, as well as event scheduling, school calendar, or other information. A recent change in federal law requires the District to ask parents/guardians to specifically authorize PUSD to send you automatically-generated calls, voicemail messages, and text messages to keep you informed about non-emergency situations going on in the District and at your child's school.

Mass Notification Opt-In Form

By providing my contact information and signature below, I expressly consent to receiving phone calls, emails, and automatically generated text messages from the district to the authorized numbers below and understand that I am responsible for all related charges (*Note: You will be able to opt out at any time by texting STOP to cancel*):

Student's Name _____
