School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

School Description and Mission Statement (School Year 2017-18)

Built in 1994, Park Village Elementary School is located in San Diego North County in the community of Rancho Peñasquitos. Our current school enrollment is approximately 635 students. Park Village has been recognized as a California Business for Excellence Foundation 2009, 2010, 2012 and 2016 Honor Roll Recipient, National Blue Ribbon school of excellence for 2000-2001, and a California Distinguished School in May, 2000 & 2012. The teachers, staff and families of Park Village share a remarkable enthusiasm for educating our children. We began the school year with 28 classrooms ranging from Pre-K through fifth grade. We provide a Resource Specialist Program, four ASD (Autism Spectrum Disorder) Pre-K, K-1, 2-3 and 4-5 classes, a psychologist, and Speech Pathologist for support of our students with special needs. In addition, our English Language Learner Program supports a number of our students who are learning English. Park Village is committed to providing a nurturing and inspiring educational program for all our students. It is our goal that our students realize their potential. Our program not only includes an emphasis on academics, but also the development of a strong self esteem, an appreciation of the fine arts, an interest in science and an understanding of technology as an important tool. Communication and collaboration are key elements to the success of this school. E-mail, ConnectEd voice mail messages, FLASH eNewsletter, Foundation newsletter, student and teacher newsletters, and a yearbook represent a partnership between staff, parents, and students. Last year PTA and Foundation volunteers provided over 20,000 hours of service and other community members helped enrich student experiences with programs. Learning comes first at Park Village Elementary School where each child is valued and recognized. **MISSION STATEMENT** Our mission is to provide differentiated instruction for all students so every student will have the necessary skills for school success. Our vision is to provide all Park Village Elementary School students the educational opportunities that will foster self-directed, capable learners who will succeed in a rigorous, standards-based curriculum. Staff members will provide personalized learning that promotes self-reliant, problem-solving students capable of achieving their fullest potential. These students will then go on to be active citizens who recognize that effort and persistence matter, and that their self-direction and initiative will make their learning relevant, valuable, and meaningful. All students will be prepared for a range of opportunities and choices made available to them as they pursue their interests and passions beyond high school graduation. **CORE VALUES** Park Village staff members value the exchange of ideas that are directed toward students' success. All staff members participate as a partner in our collaborative, professional learning community. We will conduct respectful dialogue which focuses on a culture of universal achievement and ownership of all students. We are committed to fostering relationships to ensure that all students make positive connections with all staff. We value our citizens as individual learners and will never give up on them - even if they give up on themselves.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

School Facility Conditions and Planned Improvements (Most Recent Year)

The Poway Unified School District ensures that students attend clean and safe facilities. In accordance with Education Code Section 17070.75(e), the District uses a School Facilities Inspection System developed by the State of California to ensure that each of its schools is maintained in good repair. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. Daily cleaning schedules ensure that classrooms, offices and bathrooms are clean and well maintained. Playgrounds and fields are ample and well maintained. A full time custodian is on every campus throughout every school day. A night custodial crew cleans classrooms, restrooms and offices daily. The district has adopted cleaning standards for all schools. A summary of these standards is available at the district offices.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	85	87	75	74	48	48
Mathematics (grades 3-8 and 11)	80	82	67	66	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	348	344	98.85	86.92
Male	170	168	98.82	82.74
Female	178	176	98.88	90.91
Black or African American	--	--	--	--
Asian	110	110	100	90

English Learners	68	67	98.53	88.06
Students with Disabilities	47	45	95.74	57.78

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Students with Disabilities	47	45	95.74	57.78

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	90	93	83	83	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
5	10.6	21.2	53

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Park Village recognizes the importance of the partnership between home and school and we highly value this relationship and treat it as a core belief. Parents are included in the improvement process through the LCAP process and serve in an advisory capacity on school committees. Parent volunteers work in a variety of capacities such as: serving on the School Site Council, PTA Board, serving on the Park Village Elementary Educational Foundation Board, Volunteer Workroom, Penguin PALs (Parents Assisting Learning Program), Meet The Masters Art Program, Book Fairs, Jog-a-thon, and providing classroom support. To learn about more volunteer opportunities for parents, contact our school's Administrative Assistant, Gigi Marquez at 858 484-5621.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	0.0	0.0	0.8	1.1	1.1	1.3	3.8	3.7	3.6
Expulsions	0.0	0.0	0.0	0.1	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

Park Village places strong emphasis on safety for students and staff. Emergency plans are reviewed frequently. Annual training procedures and drills for earthquakes, fire and bus evacuation and lock downs are held. Each year, a site safety team walks the campus and makes recommendations for improvement and refinement of existing procedures. Maintenance staff work with a scheduled preventive program to offset costly repairs. The school has an up to date Asbestos Plan. Extended Student Services is available to students for before and after school childcare.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Types of Services Funded (Fiscal Year 2016-17)

The district's general fund includes monies for:

1. General operations—salaries, benefits, services, materials, and support to the general education
2. Special education—programs offering appropriate, individualized education to students with special needs
3. Supplemental grants used to increase or improve services to unduplicated pupils
4. Special projects/grants
5. Transportation
6. Facilities, Maintenance and operations
7. District administration

Each school in the district receives an instructional budget based on enrollment, programs, and on formulas set by the Board of Education policy, state law, agreements with employee bargaining units, and guidelines of outside funding agencies.

For detailed information on salaries, see the CDE Certificated Salaries & Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Professional Development (Most Recent Three Years)

Research supports the positive effects professional development has on increasing student learning. All teaching staff is afforded the opportunity to participate in district and site sponsored professional development. These workshops are presented in a semester or year-long series and support a wide variety of professional development. These include the use of effective instructional strategies, implementing the use of technology in teaching and learning, California State Standards for English Language Arts & Mathematics, Next Generation Science Standards (NGSS), effective use of assessments, positive discipline in-services, and cultural proficiency. Teachers and administrators are actively involved in professional development activities at the school, district, state, and national level. A number of teachers participate in Teacher Learning Cooperatives (TLC's) each year based upon their choice of professional learning. The Poway Professional Assistance Program (PPAP) provides support for new teachers. Teachers are encouraged to participate in the National Board Certification process and recognized by the Poway Unified School District when they earn NBCT status.
