Social Tips:

Cultivating durable friendships involves building a solid foundation, resolving disagreements and misunderstandings, and showing appreciation for the person's presence in your life. These all require staying in touch with your friends, not just online but offline as well. (For more information go to Student Services in K-25)

Titan News:

- **Class of 2020...It's time for your Senior Portraits!** Current juniors should schedule their senior portrait sitting **NOW** to be included in next year's yearbook. Only portraits taken by our official photographer, Visual Photography will be included in the book. Visual Photography offers a comprehensive selection of sessions from which to choose --from nominally-priced, more creative sessions to a basic courtesy session done on campus. The families of future seniors received a brochure this week (in the mail or through juniors' homerooms). You may also visit Visual Photography's website <http://www.visualphotography.com/> for information.
- June 13 Trimester 3 Finals Periods 3 & 4 **12:39 Early Dismissal.**
- **June 13 Graduation and Last Day of School**-Enjoy your summer!
- Seniors – Remember to order your final transcript for your college. You can order it in 2 different ways: Through Parchment.com and attach a HOLD for grades to the order or Come to the Registrar's office and fill out an order form but remember to write "Hold For Grades" at the top of the form. And **don't forget that the Registrar's office will be closed to students on Friday June 14** so if you need to hand in an order form or pick up your diploma it will have to wait until Monday June 17.
